MAUI GONE ON TENNIS

Polo Team for Honolulu Tournament--Other News Notes.

MAUI, August 4.—Last Saturday and Sunday George H. Perkins of Burlington, Vermont, and Rob. C. Barrows of Haverford, Penn., visited the crater of Haleakala and were especially delighted with their trip. Mr. Perkins is professor of biology in the University of Vermont and state geologist of Vermont. Mr. Barrows is the nephew of Dr. Hitchcock, the well known scientist, now on Hawaii. Prof. Perkins, in describing the view from Haleakala, stated that the cloud effect in conjunction with the crater and the sea was unequalled anywhere in the world and that no language could describe the beauty of the scene presented. The two gentlemen returned to Honolulu by the Mauna Loa, having visited both Kilauea and Haleakala.

TENNIS EXCITEMENT.

As the 12th approaches the enthusiasm for tennis increases—in truth, nothing is talked of on central Maui excepting tennis. Eighteen couples—36 players—from the center of the island have entered the present cup tournament and there are certainly as many more who for various reasons did not enter, and then there are quite a number of tennis experts in Lahaina, the members of a formerly flourishing club. There are perhaps altogether 100 men and women players on the island and these with proper management should cause tennis to become the most popular Maui sport excepting only the national game of baseball.

Apropos of the coming tournament, it is generally conceded that Messrs. Krumbhaar and Basata will be winners, though there are several couples who will make the contest a close one. Last Saturday, on the tennis court at the Hauku residence of Hon. C. H. Dickey, W. W. Westcott of Puunene threw his knee out of joint. The doctor states that Mr. Westcott will be unable to play on August 12.

Thursday afternoon—seven of the ladies of the Makawao Tennis Club by invitation played on the fine new court at Kahului. They left Paia by the regular afternoon train and returned in a special by the courtesy of H. B. Weller.

POLO ITEMS.

Kauai will probably not send a team to the September polo tournament in Honolulu, owing to the report that the Rice brothers will be unable to play—Charles having injured his shoulder and Arthur being ill.

The Maui club has recently built large stables on its Paia grounds and a dozen and more ponies are now in the hands of a regular horse-trainer, who lives at the polo stables and is putting the animals into fine condition for the September contest. The players for the Honolulu game have not all been selected, though the quartet will be much as follows:

No. 1, G. W. Wilbur or H. A. Baldwin.

No. 2, Fred Baldwin.
No. 3, F. F. Baldwin (captain).
No. 4, D. T. Fleming.
There is some uncertainty as yet as to No. 1, but the other positions will probably be filled as above mentioned.

NOTES.

The sheriff's office is at present in the old Wailuku school building and the other county officials are domiciled in fine rooms in the story of the new Wailuku bank building.

W. F. Crockett of Wailuku has been appointed deputy county attorney. The rice crop on the Keanae and Honomanu plantations has just been harvested. The amount raised this season has been fair but not large in quantity—planting will begin next month.

Contractor Duggan has purchased the privilege of constructing the new Haleakala summit road from L. M. Whitehouse. On Monday Mr. Duggan accompanied by S. R. Dowdle, government inspector of the work, departed for the scene of their labor to begin operations with the aid of twenty citizen workmen.

The pineapple cannery of the Hauku Fruit and Packing Co. is in full blast, having begun the canning of pines on July 7. A visit to the factory when all the machinery is in action is most interesting. The working of a number of unique machines, the making and sealing of cans, the paring and preparing of the apples for the tins together with the delicious odor of fresh fruit, all render a visit most attractive. Manager W. A. Baldwin and James Lindsay, the new processor (factory manager), are most courteously inclined and will "do the honors" willingly.

Fifth-class license saloons or liquor stores, as they are called are being established in Makawao (2), Pauwela, Kula and other localities on the island. The Maui Agricultural Co. has been making some changes recently. J. J. Hair is soon to depart on a visit to the Coast. P. F. Peck, one of the lunas of Hamakua, takes charge at Kilauea. Fred Baldwin, it is reported, will give up the management of the Grove and Hauku ranches and take Peck's former position at Hamakua, and D. T. Fleming will manage the two ranches.

W. H. Bailey of Oakland is visiting his daughter, Mrs. B. V. Bazata of Paia.

Misses Mary Alexander and Kellogg after a brief visit at Paia returned to Honolulu via Lahaina per Mauna Loa.

Miss M. E. Fleming of Makawao departed for Hawaii by Tuesday's Kilauea.

Miss Massey of Hawaii is the guest of her niece, Mrs. L. von Tempky of Haleakala Ranch.

Tuesday afternoon the Ladies' Aid Society met at Mrs. D. C. Lindsay's, Paia.

Jack Dow of Lahaina has two automobiles which he keeps for hire. Miss R. E. Crook of Makawao left for Honolulu by the Maui of Wednesday and W. C. Crook departs for Nalehu, Hawaii, today.

A fungus blighted and destroyed much of the Maui watermelon crop this season.

Weather—Light, spray-like showers from the sea, Tuesday, Wednesday and Thursday.

PROMINENT WEST INDIA MERCHANT CURES HIS DAUGHTER OF A THREATENED ATTACK OF PNEUMONIA.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annapo Bay, Jamaica, West India Islands. TARO FLOUR PLANT SOLD

Political, Personal and Social Items From Maui.

WAILUKU, August 5.—With the selling and razing of the buildings, plants and fixtures of the taro factory of the Hawaiian Fruit & Taro Co., disappears one of Maui's pioneer industrial landmarks. The taro factory was built somewhere in the neighborhood of thirty years ago, and was used for the manufacture of taroena, a vegetable food product which is being advertised in the monthly magazines. Last year a quantity was made up and shipped to New York, and at that time there was some talk of continuing operating the factory, but a sufficient quantity of taro which would warrant making up into taro flour could not be had without paying a prohibitory price. Thos. W. Hobron of Honolulu bought the machinery, and W. T. Robinson the building. The ground will revert to the government and will be used for an armory for Company I.

COKE DISAFFECTED.

Hugh M. Coke has sent in his resignation as treasurer of the eighteenth precinct club of Maui county. Mr. Coke when asked why he took this action intimated that recent recommendations pertaining to county appointments sent in by his and other clubs had been flatly ignored. In his letter of resignation he says his decision is final and under no circumstances will it be reconsidered.

VIVAS ALSO RETIRES.

Attorney J. M. Vivas, who at the last county election ran for the office of county attorney on the Fusion ticket announces that he is out of politics for good. From what the Maui News considers a reliable source it is stated that the reason Mr. Vivas retires is because the democrats have fused and will work under the Home Rule banner in the future.

PERSONAL AND SOCIAL.

At the residence of R. C. Searle, on Sunday afternoon, his son, Richard C. Searle, Jr., and Lucy Kuana of Lahaina were united in marriage by Rev. D. W. K. White. A large number of friends witnessed the ceremony, and were guests at the wedding dinner.

A letter has been received from Dr. Charles Davison, stating that he will return to Lahaina in about six weeks. He is at the home of the sister, Miss Carrie Davison, in Detroit, Mich. She has the honor of being the clerk of the Supreme Court in that city.

The birthdays of Miss Rachel Hayselden and Walter M. Vellesen having occurred last week, and David K. Apunui Hayselden being about to take a pleasant journey, a triple celebration took place at their historic palace home on Saturday evening. There was a large attendance of friends, and there was a fine program of dancing, singing and instrumental music.

Miss Laura Wells, Ward Wells and Fred McGraw, accompanied by Manager C. B. Wells, left last evening by the Kilauea for Honolulu. Miss Wells will enter Stanford University, while Ward and Fred McGraw will return to Belmont college. Ira Wells, who has been under the physicians care, is unable to return to school at present.

Dr. McGettigan of Hana was a returning passenger from Honolulu last Saturday. Dr. McGettigan will leave the Hana district and settle permanently at Olua.

Bishop Restarick came up on the Mauna Loa last night on his way to the Chinese mission in Kula, where he will hold service on Sunday morning. He will probably return in the afternoon and preach at Puunene in the evening. William Robb of Kaaunapali is fast recovering from the injuries received in a runaway accident.

One of the Lahaina Christian ministers has received a generous donation from the Buddhist priest, K. Y. Arai. A rumor is in circulation that the old fish market will soon be torn down, and that a handsome row of trees will be planted along the water front.

W. L. Decoto of Lahaina left last evening for Honolulu, en route to Centerville, Alameda County, Cal.

HALEIWA.
